

FROM THE COUNSELING DEPARTMENT

Virtual Office Hours

Monday through Friday

Dear SJCA Families,

Throughout this time of distance learning, your guidance counselors will be having virtual office hours from 8 a.m.-12 p.m. where we will be available to answer any questions regarding course selection, academic concerns, scholarships, etc. In addition, we will be open for scheduled one-on-one meetings from 1 p.m.-3 p.m. Office hours are from Monday through Friday.

Any student or parent who would like to schedule a phone or video call regarding academic, college/career, social emotional counseling, should contact us using the emails at the bottom of this message. We'd be happy to set up time to meet. **We know there are a lot of important deadlines and events that occur in the spring, especially for seniors. Please let us know if you need assistance with anything.**

We met with all 8th through 11th grade students individually before school closed regarding the importance of selecting classes for next year. All students should have their course request worksheets for the 2020-2021 school year. Any student needing another copy should let us know. As students are working on these, we would happily meet with them to guide them with course selection for their SJCA classes for next fall. **If possible, students should scan or take a picture of the completed form and email it to us by end of next week.** If we have not received student course requests by March 27th, we will reach out to each student requesting an online meeting.

Please stay tuned for emails and information from us in the coming weeks.

We hope our students and families are all staying healthy! We know this is a stressful time for everyone. We are here to help.

Stay positive!

Mrs. Kirkpatrick and Ms. Sallese
