Please help us earn money for school. It's super easy with the BoxTops for Education Program!

BoxTops has created an app that has made collecting boxtops way easier! Just download the app, chose SJCA as your school and every time you shop just scan your receipt with your phone. Any items with boxtops on your receipt will register the boxtops and add them directly to our school account! No clipping or sending in!

Summer Fun at the Park

Come spend a day in the park with our SJCA family. Come one, come all to meet up with old friends and welcome new ones. We will be gathering at Petrifying Springs Shelter Area #4 on Wednesday, August 7th from 1 - 3 p.m. Hope to see you there!

Registration Packets and Schedules

In past years, families received a parent packet in the mail during the summer which included forms and other important school information. Due to the transition to online registration this year, we will not be sending out these packets as most of the information was completed during the online registration process.

The Laptop Pickup event, previously held in August for middle and high school students, has also been eliminated. All new students, including 6th graders, will now receive their laptop during New Student Orientation on Thursday, August 22 from 9 - 11 a.m. Any new families having questions about New Student Orientation should contact the Admissions Office by [clicking here](#). All returning students will receive their

laptop in their 1st period class on the first day of school.

Regarding middle and high school schedules, please note that they are currently being worked on. Schedules will be available mid-August. Room assignments at the Lower Campus are currently being worked on as well. SJCA will send out communication when room assignments and schedules are available to our families.

Please continue to check your e-mail regularly as all important information is being sent via summer newsletters.
