

There have been many recent inquiries regarding the SJCA SCRIP program and we wanted to let our families know that they can still continue to purchase SCRIP. Supporting the SJCA SCRIP program helps families earn tuition dollars, earns dollars for SJCA Parent Association and helps support our local businesses, which is so important at this time.

Here are a couple of things to know.

- Until there is access to the school buildings, there will be no SCRIP sales of physical SCRIP cards.
- For this same reason, payment by check will be suspended until we return to the school.
- However, you can still purchase **ScripNow! Certificates** (e-cards) and **reload SCRIP cards** you already have. These purchases can be ordered and paid for online with PrestoPay, which is automatic debit from your bank account with a \$0.15 per transaction fee, and by credit card (you pay the bank fee).

Please follow the steps below to purchase SCRIP:

- **If you have never purchased SCRIP before from SJCA, another school or church**
 - Visit www.shopwithscrip.com
 - Click on "Register"
 - Under *Families*, click "Join a SCRIP Program"
 - Enter the SJCA enrollment code: 9ABA7E1816326 and follow the directions.
- **If you have ordered SCRIP from another local school or church, you can use your current username and password.** On the Dashboard screen under Manage Non-Profits, add SJCA by using the enrollment code above, then order as usual.
- **If you have ordered SCRIP from SJCA but have not ordered online before.** FIRST please contact me at csesterhenn@sjcawi.org to obtain a username. If you don't obtain a username from me first, you will create a 2nd account in the system. To keep things from getting messy, I will assign a username so that your online orders are tied to your current SCRIP account.
 - Visit www.shopwithscrip.com
 - Click on "sign in"
 - Enter your username and then click "I've forgotten my password" - this will allow you to set a password and connect you to the account I already have for you

- If you wish to change your username, you can do this on the Dashboard screen under Profile.
- **To set up a PrestoPay account**, go to the Dashboard screen under Family Functions, Payment Types and follow the instructions. This may take a day or two to set up since deposits are made into your account and need to be verified. Contact me with the approval code that will be sent to you by email. Once I enter the code in your account you are all set to go shopping. Once you are logged in and your payment type is complete, click "shop."
- When you order SCRIP, there may be 3 tabs on a vendor. If you look at Starbucks, you can order either a **physical cards** (blue card icon) which are not available right now, **ScripNow! e cards** (red exclamation point icon) and **Reloads** (green arrow triangle icon). **Be sure to order on the correct tab.** When you go to checkout, the SCRIP will be listed in your cart as "Starbucks ScripNow!" so you can double check that you have selected the right format. Reload funds can ONLY be added to a physical card that you already purchased from SCRIP, not a card purchased from a vendor directly.
- At checkout, you will be asked how you wish to pay for your SCRIP - by check, PrestoPay, credit card. You will be asked this every time you order, so if you use PrestoPay now, you are not locked into only using this method going forward. The \$0.15 fee is charged per transaction regardless of the amount of the order.

For more information see www.sjcawi.org/easy-fundraising or contact Cindy at csesterhenn@sjcawi.org.
